SummerSounds®

DEAR FRIENDS,

The volunteers that produce SummerSounds welcome you to our 24th season of great free music; sometimes familiar and comforting, sometimes new and exciting. SummerSounds has made a positive impact by building our sense of community and bringing national attention to our region. In fact, SummerSounds was just voted #5 in *USA Today's* 2024 *Readers' Choice* for Best Outdoor Concert Series!

We're pleased and proud of our talented headline artists, most making their first visit to Greensburg, and of our "pre-show" performers who are emerging local talents. Skilled musicians from across the world are here to entertain you in the relaxed, family-friendly atmosphere of Greensburg's lovely St. Clair Park in our growing cultural district.

It takes the gifts of time and money from many to make SummerSounds free to our audiences. Our volunteers spend thousands of hours producing this truly professional series, while our audiences, charitable foundations and local businesses donate generously to make these community-building concerts possible. Please thank our supporters.

SummerSounds has no paid staff — we are your music-loving neighbors helping to build a healthy and vibrant community! You too can help — by donating, volunteering; by feeding our mascots, Pig Floyd and Jumpin' Jack Cash; and by leaving our park even cleaner than you found it.

Whether you are a Greensburg resident, or a visiting neighbor, we welcome you to our city! Greensburg has much to offer from our fine restaurants, pubs, cafes, and shops to enjoy before our concerts. While you're in town, make sure to stop by the many businesses that are displayed in these pages who support SummerSounds and say "Thank you for making SummerSounds possible!"

Relax now, and enjoy our gift of music for you and your neighbors!

A NOTE ABOUT THE FUTURE OF *SummerSounds*[®]

SummerSounds began in 2000 as a hobby project of three Greensburgers: Steve Gifford, Gene James and Missy Monsour. That year, those three produced 6 concerts for 850 grateful people. With each passing year, they found something they could do better and after 25 years of “doing it better” SummerSounds emerged as a nationally recognized concert venue that’s served over a half a million music-lovers with 290 concerts. SummerSounds has brought Grammy winners and millions of dollars of business to Greensburg, the capitol of Westmoreland County. AND ...this year we were voted #5 in USA Today’s Best Outdoor Concert Series. All this with just 50 dedicated volunteers. Fifty very hard-working volunteers ... and *no paid staff*. Whew!

The board of directors of SummerSounds has rightly concluded that our small, all volunteer staff is a risk to SummerSounds sustainability – there are simply too many critical skills in too few hands. To assure the healthy future

of this wonderful community asset we’ve decided to partner with another long-term organization whose mission aligns with ours: to grow Greensburg’s cultural, economic and community health. Thus, after over a year of discussion and with the kind advice of The Hill Group, we are pleased to announce that SummerSounds will merge with the Greensburg Community Development Corporation (GCDC for short) this year. Our merger with the GCDC is a sound plan to assure offering you free concerts well into the future. GCDC’s Events Manager, Anna McClain, will take on SummerSounds’ management and administrative roles while our loyal team of volunteers will continue to be the key SummerSounds production staff.

Fear not, this is a good thing! We’ll still be SummerSounds, shining a light on our city and bringing you great free music all summer long. We are excited to continue offering our concerts for years to come!

NEFESH MOUNTAIN

Acoustic, Bluegrass, Americana

Old-timey mountain music, bluegrass, and contemporary Americana never fit together so comfortably. The New York based Progressive Americana group Nefesh Mountain Band has been hailed as one of the formative boundary-pushing ensembles in roots music. The band's creators, a dynamic husband and wife team, have created a world and sound all their own; blurring the lines between Americana, Bluegrass, Folk, Jazz and Blues with a masterful hand as songwriters, instrumentalists and composers alike. The band, declared "A Powerhouse Unit" by *Rolling Stone* and "Introspective lyrics and world class musicianship"

by *American Songwriter*, takes the listener on a deeply personal journey that embodies their own wild nature and unbridled free spirits, bridging compositional prowess and prolific songwriting with deft instrumentals and jams.

In 2021, they debuted at the Grand Ole Opry, and with a dynamic backing band, they've played festivals across the country, forging new paths into unknown territory, armed with Zasloff and Lindberg's strong, smokey, and folksy vocals and Lindberg's soulful and masterful skills on guitars and banjo alike.

JULY 5 BACK & FORTH

Foo Fighters Tribute

If you like the energetic and powerful music of the Foo Fighters, then you are sure going to love Back and Forth, a Foo Fighters tribute band with a five-piece lineup that mirrors Foo's explosive guitar, bass and drum sound. Its meticulous performances don't skimp on the dominant charismatic stage presence that has characterized the Ohio band since its start in 2019. Expect a Dave Grohl groove on songs like "Monkey Wrench," "My Hero," and "Learn to Fly" and break-out explosiveness on covers by Radiohead, Queen, Led Zepplin ... and of course Nirvana.

True to the dominant Foo Fighters line up, the band is a five piece with two blistering guitars, one guitarist/singer (our "Dave"), a driving bass, and a pounding percussionist. B&F produces an exciting show filled with energy, emotion and stage dominance. The band takes great pride in a professional presentation and delivering on a raw performance that encapsulates the band that has slammed through America's radio-waves for generations. Sure to be an energetic and amazing night full of music available at SummerSounds!

JULY 12 STUDIO TWO

Beatles Tribute

Yeah, yeah, yeah! Without exaggeration modern culture can be assessed “before The Beatles” and “after The Beatles.” The change was profound and impacted not only music but fashion, film, visual arts and the way we look at the world and ourselves. The global phenomenon comes to Greensburg with one of the best and most popular Beatles tribute bands in North America, complete with period attire and attitude.

Unlike other Beatles Tribute acts that try to deliver the entire Beatles catalog in single two-hour show, STUDIO TWO concentrates only on

the most exciting and fun times in The Beatles career: The club and touring years, like September ‘64, when legendary promoter Pat DiCesare brought the Beatles to the Civic Arena. These are the years where people actually saw them play. The years where The Beatles crafted their sound, and their stage performance—and the years where they took the world by storm, and changed everything. “She Loves You,” “Twist and Shout,” “I Saw Her Standing There” ... you know the words. Sing along like it’s the dawn of a new era all over again.

THE CLAUDETTES

Jazzy Blues, Garage Rock, Punk

The electrifying presence of The Claudettes will set SummerSounds ablaze with their unique fusion of blues, jazz, and rock that's sometimes somewhere between gritty garage rock and 21st century punk. The Claudettes are surprisingly sophisticated, progressing from their earlier work to a quirky kind of mainstream sensibility. Led by the charismatic vocalist and pianist, Johnny Iguana, The Claudettes command attention from the first note. His fingers dance across the keys, infusing each melody with raw emotion. Michelle Morales' powerhouse vocals soar through the night air,

captivating listeners with her soulful delivery and magnetic stage presence. Backed by the relentless rhythm section of bassist/guitarist Zach Verdoorn and drummer Michael Caskey, the band's infectious energy will ignite the park. The Claudettes seamless interplay and tight-knit chemistry create a musical landscape that is as diverse as it is captivating. With each song, they weave a narrative that transcends genre boundaries, leaving audiences spellbound and craving more.

Expect a transcendent journey through the soul of music itself.

THE ENGLISH CHANNEL

British Invasion, Tribute

On December 26, 1963 four shaggy haired Liverpoolians captured the eardrums of Young America, soon to be followed by legions more of their kind. This sneak attack changed popular music from “How Much Is That Doggy In The Window” to “Paint It Black” in a veritable drumbeat.

Since 2001, The English Channel has entertained capacity crowds across the mid-Atlantic states, headlining concerts, performing arts centers, festivals, and music venues of all sizes. The band was recently named “Best Tribute Band” in *Rams Head On Stage’s 10th Annual RAMMIE Awards* in Annapolis Maryland.

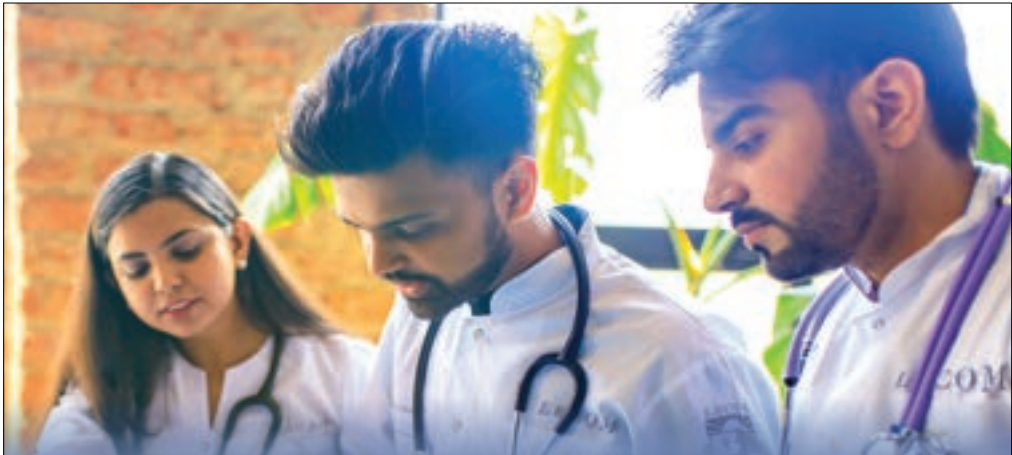

The music The English Channel plays has clearly stood the test of time.

People of all ages and backgrounds – from Gen Z to baby boomers – know and love these songs! The members of The English Channel perform with energy and joy which audiences find contagious. You’ll find yourself singing along with them the entire night! Fifty-five years later The English Channel is, for the 4th time, making its pilgrimage to SummerSounds. So dig out your Union Jack bell bottoms and miniskirts and give tribute to the rejoinder to our Revolution. As The Sex Pistols proclaimed “God Save The Queen!”

THE SLAMBOVIAN CIRCUS OF DREAMS

Psychedelia, Rock

What? You don't speak Slambovian? You do if you understand psychedelic spins on the music of Bob Dylan, Syd Barrett and The Incredible String Band. With the Slambovian's, the Americana sound gets stretched but never loses its ability to document real life while coloring it and providing direction with acoustic sounds and sensibilities.

Led by the enigmatic Joziah Longo, the Slambovian Circus of Dreams is a musical experience unlike any other. With their eclectic blend of folk, rock, and Americana, this captivating ensemble weaves a sonic tapestry that is both enchanting and exhilarating,

where whimsy meets wonder, where music transcends the ordinary and transports you to a realm of magic and imagination.

From the haunting melodies of "Trans-Slambovian BiPolar Express" to the rollicking rhythms of "The Grand Slambovians," each song is a journey unto itself, taking listeners on a wild and unforgettable ride. With soaring harmonies, virtuosic instrumentation, and a healthy dose of theatrical flair, the Slambovian Circus of Dreams creates a spectacle that is as visually stunning as it is musically captivating.

THE DAVID BACH CONSORT

Fusion

No, not Johann Sebastian, but David, and his Consort, a roving and revolving band of some of the best jazz musicians the metro DC area has to offer. He, the Consort, and his well-tempered keyboards, double-stacked, front and center, have graced the stage at SummerSounds a record four times now and surely earned his being voted our favorite smooth jazz artist in our two decade history.

We're not the only ones who've named him a winner: he also won the 2016 *Maryland Music Awards*' "Best Jazz Artist" honor. He's received airplay at major smooth jazz stations worldwide and his recording *Otherworld* reached

#28 in the *CMJ National Jazz Chart* and #4 in the *Canadian Earshot National Jazz Chart*.

With a natural onstage energy and charisma and an eclectic style that incorporates jazz, world music, rock, ambient music, European, Latin and classical influences, The David Bach Consort has been a powerhouse performer for discerning live performance venues across Maryland, DC, Virginia and, of course, Pennsylvania. We have always found his refreshing and comfortable stylings to be the perfect accompaniment to a gathering in St. Clair Park with your family and friends.

AUGUST 30 THE ONE AND ONLY TOMMY DORSEY ORCHESTRA

40s Big Band

Perhaps the most enduring big band of the Swing Era, Tommy Dorsey Orchestra scored 286 *Billboard* chart hits from 1935 to 1956. Among the memorable of their No. 1 hits were “Marie,” “Song Of India,” and “I’ll Never Smile Again,” songs that continue to move audiences as the band’s current iteration keeps the magic alive.

Tommy Dorsey was an extremely successful bandleader from the 1930s until the ‘50s. His technical skill on the trombone was unmatched and earned him respect amongst musicians and the public alike.

Frank Sinatra joined Tommy Dorsey in early 1940. Sinatra credited Dorsey

with teaching him breath control which helped to create such vocal classics as “There Are Such Things” and “I’ll Never Smile Again.” Sinatra was with The TDO until September 1942 when he embarked on his remarkable solo career.

The Tommy Dorsey Orchestra’s band leader is Jeff Bush, a Duquesne University faculty member who has worked with The Temptations, The Four Tops, Frankie Valli, and Paul Anka, has been with the band since 2000. We’ll sure be “Getting Sentimental Over You” as The One and Only Tommy Dorsey Orchestra closes SummerSounds’ 24th season.

PRE-SHOW: HANNAH NEWELL

Founded in 1799, Greensburg remains the cultural, government, and legal center of Westmoreland County. The neighborhoods of the city are diverse with each possessing a distinct charm. Greensburg is a wonderful place for families of all ages to enjoy a city with a small-town feel; with many young professionals and college students enjoying the vibrant downtown area bridging the gaps between multiple generations. The restored County Courthouse, Palace Theatre, and the Train Station showcase the architectural

style of the late 1800s and the high level of civic pride in our history. The numerous billiard halls and membership clubs of the early 1900s have been replaced with coffee shops, specialty retail stores, and tattoo shops. New apartments with modern style and features complement the historic houses of the Academy Hill National Historic District.

The city has maintained outstanding desirability as a place to live. Residents have pride in their neighborhoods featuring tree-lined streets, sidewalks, neighborhood businesses, public green space, and community parks. Two major universities bookend the city providing opportunities to earn a degree and experience lectures and performances. Seton Hill University and the University of Pittsburgh at Greensburg are not only education centers but significant

contributors to the local economy. City residents enjoy year-round entertainment with proximity to many key entertainment, cultural, and recreational amenities. The Five Star walking/biking trail, Mt. Odin Golf Course, Lynch Field, and Kirk Nevin Arena provide residents with ample outdoor recreation opportunities. The SummerSounds concerts at the Robertshaw Amphitheater in St. Clair Park balance the fall and winter event schedules of the Palace Theatre, Westmoreland Museum of American Art, and Seton Hill University Performing Arts Center. The Cultural District is strengthened by several arts related entrepreneurs, galleries and performance venues.

Equally important factors making Greensburg a unique place to live are the retail stores of the downtown shopping district and houses of worship. The

numerous restaurants, cafés and bars located throughout the city make it a fun, unique place to live and are a key part of the popularity of Greensburg. In many ways, Greensburg reflects our society and the region while possessing an appreciation of our history.

The Greensburg Community Development Corporation (GCDC) supports the efforts of residents, business owners and developers who want to ensure that this unique community remains a great place to live, work, and visit. ST. CLAIR PARK & THE ROBERTSHAW AMPHITHEATER

The Greensburg Cultural District is anchored by the Westmoreland Museum of American Art, the Seton Hill Performing Arts Center, the Palace Theatre and St. Clair Park. The Robertshaw Amphitheater in the park provides an outstanding outdoor venue for a broad mix of cultural activities and events for our residents and visitors.

The Robertshaw Amphitheater was completed in 1999 through the generosity and vision of John and Anne Robertshaw, the Greensburg Community Development Corporation, local service organizations, businesses and individuals. Their shared commitment has resulted in an outdoor Amphitheater that serves as the home to **SummerSounds**.

The **SummerSounds** concerts are free to the public thanks to the generosity and hard work of the many businesses, foundations and volunteers whose names appear throughout this booklet. Please visit our sponsors and let them know that you appreciate their support for this wonderful family event.

Several donation boxes throughout the park provide you with the opportunity to help **SummerSounds** as well ... or "feed the pig" at intermission! Your donations are 100% allocated to paying for **SummerSounds** and are a nice way to say:
